

**R-17-3-37 RESOLUTION THAT THE MAYOR AND COUNCIL APPROVE THE
2017 CITY OF GROTON RECREATION DEPARTMENT USER FEES
(APPROVED MARCH 6, 2017)**

WHEREAS, the City of Groton offers a variety of leisure services and facilities to the citizens of all age groups; and

WHEREAS, the City of Groton has established fees and charges to help underwrite the program costs; and

WHEREAS, the Beach and Parks Committee has reviewed the user fees and recommends the proposed fee structure as follows:

INTRODUCTION

*For purposes of this document, City resident shall mean; City residents or City taxpayers whose registration does not show a City of Groton address.

The City of Groton offers a variety of leisure services to the citizens of all age groups. A significant portion of the services has been underwritten through general fund appropriations.

Some programs instituted between fiscal years have been supported with fees paid by the participants. As a result, inconsistencies among programs serving the same constituents have developed.

The City of Groton Parks and Recreation Department is charged with the responsibility of planning, conducting, and supervising of recreational programs and activities as well as the operational, maintenance and management of these facilities.

Community recreational and park services are a municipal responsibility; however, the magnitude of the service and its economic impact should be reviewed annually to determine a reasonable ratio of community desires in accordance with the City of Groton's ability to financially support these services. The City of Groton should establish fees and charges to underwrite the program costs.

There are certain programs that should not have a participant charge, particularly when the specific program serves large numbers of people for a nominal total cost, for example, the City Day picnic.

1. BASIC SERVICES

The City of Groton should support the concept that the general fund should provide the cost of basic park and recreation services based on the following:

- a. Qualified staff to promote and expand leisure services.
- b. Positive recreational experiences which contribute to the individual's physical, social, emotional, creative, cultural and educational growth and development in order to enrich the quality of life.

- c. Development and maintenance of park and recreation facilities such as playgrounds, parks, athletic fields, picnic areas, beach, tennis courts, nature and fitness trails.

2. **EXTENDED SERVICES**

Extended services are services in excess of basic services. For example a specialist performing a professional service, programs requiring an instructor or specialist that costs more per hour than the authorized department pay structure.

3. **EASTERN POINT BEACH FEES**

The recommendation is that each January the beach rates be reviewed on the past year's figures and rates set to reflect a 25% to 50% recovery.
